### **State Health Department Schedules News Conference To Discuss Child Passenger Safety in North Dakota**

BISMARCK, N.D. – The North Dakota Department of Health will hold a news conference to discuss child passenger safety in North Dakota on Tuesday, Oct. 1, 2013, at 10:00 a.m. in the West Heritage Room at the Ramada Bismarck, 1400 East Interchange Ave, Bismarck, N.D. Please note speakers will only be available until 10:30 due to the conference schedule.

The news conference is being held in conjunction with a statewide conference on child passenger safety at which several national and state experts are scheduled to speak. News conference participants will provide information about trends in child passenger safety, child passenger safety best practices and how child passenger safety can be improved in North Dakota.

The following individuals are scheduled to participate in the news conference:

- Denise Donaldson, Editor Safe Ride News Publications: Car Seat Product Trends and Updates, LATCH Update 2013 and A Global Survey of CPS Products, Practices and Policies
- Carol Meidinger, CPS Consultant/Instructor: Celebrating 30 Years of Buckling Up Children and the Child Passenger Safety Tech Challenge

Information about the North Dakota Child Passenger Safety Conference's speakers and overview is available at <http://www.ndhealth.gov/injury/trainings.htm>. For more information about the news conference, contact Dawn Mayer, North Dakota Department of Health at 701.328.4533.
